From The Editor

We had a beautiful day for our meeting with 30 members and 8 cars in attendance. Dominic and Frank were out of town, but, Bill Sherden did a superb job at the helm.

We were glad to hear Pauline Costain is home, as I'm sure Russ is, and doing better.

Welcome to another new member, Glenn Kiermier. He, apparently is known to many of you as "Hot Dog". I, unfortunately, have not had the pleasure of meeting him, yet, but, welcome Glenn, we are always glad to have new members.

Joe Gagliano has a gift certificate for \$50 off Stahl Headers. He is happy to give this to anyone interested. It is only good through July.

Remember to put on your new license plate stickers on your Antique Plates before you take your car out.

We are planning on cruising to Vickie's in McHenry after the May 2nd meeting. Bring your car and join us.

We are planning to meet at Buona Beef on May 15th as a group. (Where the Voo-Doo Kings meet)

Don't forget May 27th at Mr. Beef Cruise Night, 6 to 9 pm. We already have 15 cars from our Club coming.

Speaking of Mr. Beef, don't forget to park your car in the spaces in front of the building on meeting day's.

Hank has t-shirts, polo shirts, and sweat shirts available if you need or want a new one.

Barb Massani is collecting plastic bags from newspapers and groceries to donate to a pet shelter in Chicago. Please save these types of bags and give them to Joe Massani at the meetings. I'm sure they can use all they can get. Also, on the saving/recycling/repurposing subject, Linda Uezen would like the plastic tops from soda bottles, etc. and don't forget Bonnie Bittner's pop/beer can tops for the Ronald McDonald House. You can bring all of these to the meetings.

We cruised to Docker's restaurant after the April meeting. Had some good food and lots of fun. Check our Club calendar for our next cruise. We are planning to cruise at least once a month as a Club activity (to some eating establishment) and also after our monthly meeting. Hey, we like to eat and have a good time!

Wisconsin Dells update, as of this writing, we have 15 cars registered, 6 members without cars, 10 Blue Ribbon Club members and 2 of Dom's friends attending. Looks like the turnout will be good. Currently there are 48 for dinner at River's Edge. Let Bill know if you want to attend, if you haven't already.

The 50/50 was won by Mike Schlesinger.

We will see you at the May 2nd meeting,

Ron & Bonnie Bittner,
Co-Editors

Reasons Why I Owe My Mother

My mother taught me TO APPRECIATE A JOB WELL DONE .

'If you're going to kill each other, do it outside. I just finished cleaning.'

My mother taught me RELIGION .

'You better pray that will come out of the carpet.'

My mother taught me about TIME TRAVEL .

'If you don't straighten up, I'm going to knock you into the middle of next week!'

My mother taught me LOGIC .

'Because I said so, that's why.'

My mother taught me MORE LOGIC .

'If you fall out of that swing and break your neck, you're not going to the store with me.'

My mother taught me FORESIGHT .

'Make sure you wear clean underwear, in case you're in an accident.'

My mother taught me IRONY

'Keep crying, and I'll give you something to cry about.'

My mother taught me about the science of OSMOSIS .

'Shut your mouth and eat your supper.'

My mother taught me about STAMINA .

'You'll sit there until all that spinach is gone.'

My mother taught me about HYPOCRISY .

'If I told you once, I've told you a million times. Don't exaggerate!'

My mother taught me the CIRCLE OF LIFE .

'I brought you into this world, and I can take you out.'

My mother taught me about BEHAVIOR MODIFICATION .

'Stop acting like your father!'

My mother taught me about ENVY .

'There are millions of less fortunate children in this world who don't have wonderful parents like you do.'

My mother taught me about ANTICIPATION .

'Just wait until we get home.'

My mother taught me about RECEIVING .

'You are going to get it when you get home!'

My mother taught me MEDICAL SCIENCE .

'If you don't stop crossing your eyes, they are going to freeze that way.'

My mother taught me HUMOR .

'When that lawn mower cuts off your toes, don't come running to me.'

My mother taught me HOW TO BECOME AN ADULT .

'If you don't eat your vegetables, you'll never grow up.'

My mother taught me GENETICS.

'You're just like your father.'

My mother taught me WISDOM .

'When you get to be my age, you'll understand.'

And my favorite: My mother taught me about JUSTICE

'One day you'll have kids, and I hope they turn out just like you.'
